# Groups

Chat, network and collaborate with peers across the globe through the “Groups” feature.

Each member is automatically a part of their primary chapter's group. Individuals may be part of other groups due to certain criteria like chapter leadership role, etc.

Group members can start a new discussion or reply to an existing discussion thread.

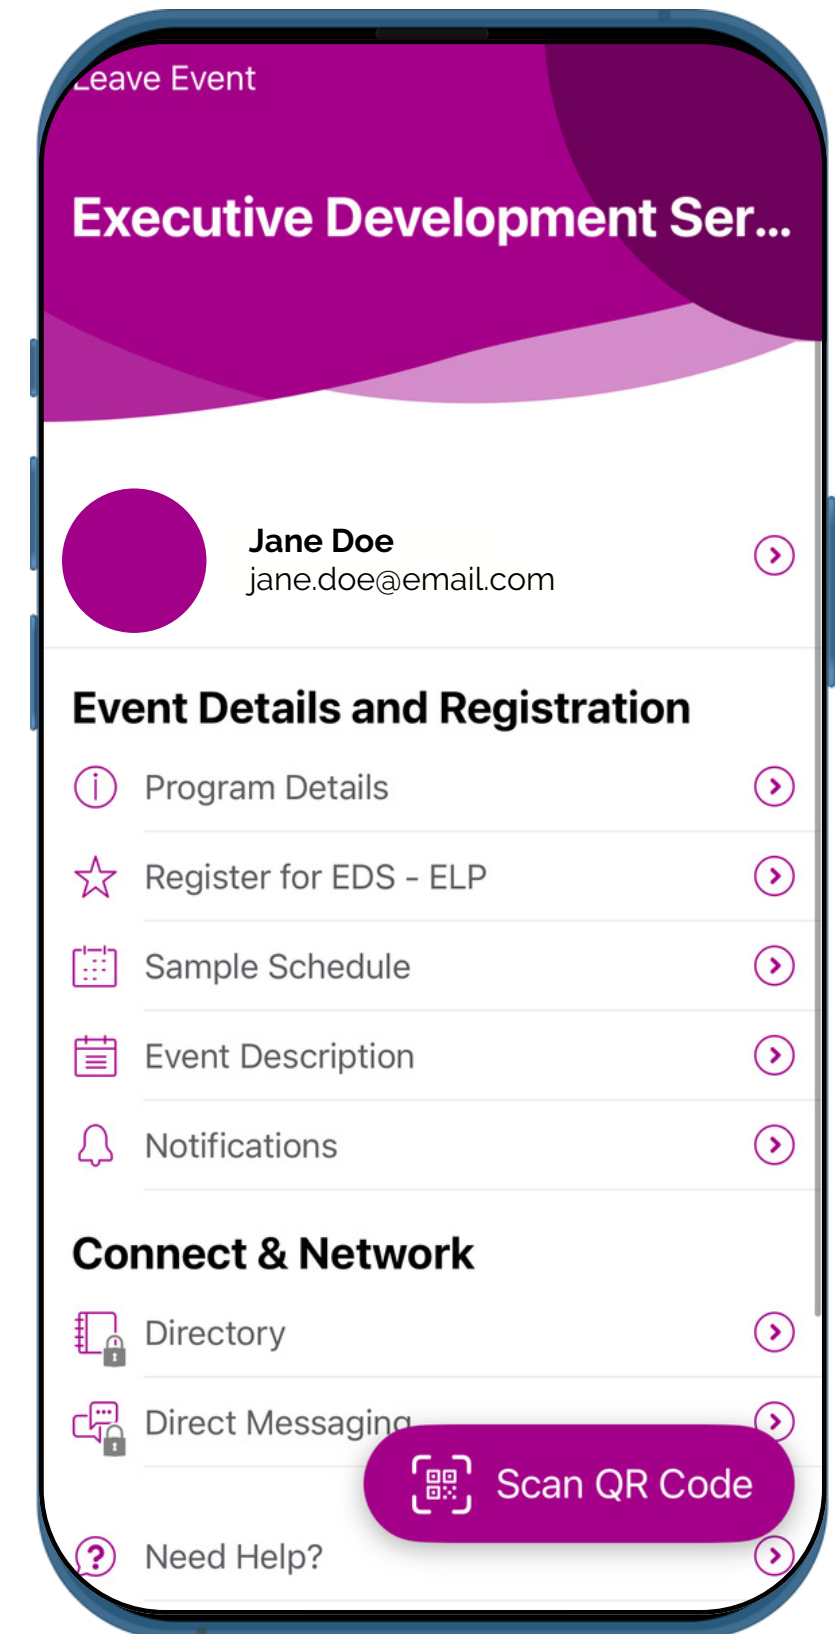

# Events & Registration

Navigate to **Events & Registration** under Education Programs & Events from the main menu.

Toggle between "Upcoming" and "Past" events to view events from The WICT Network.

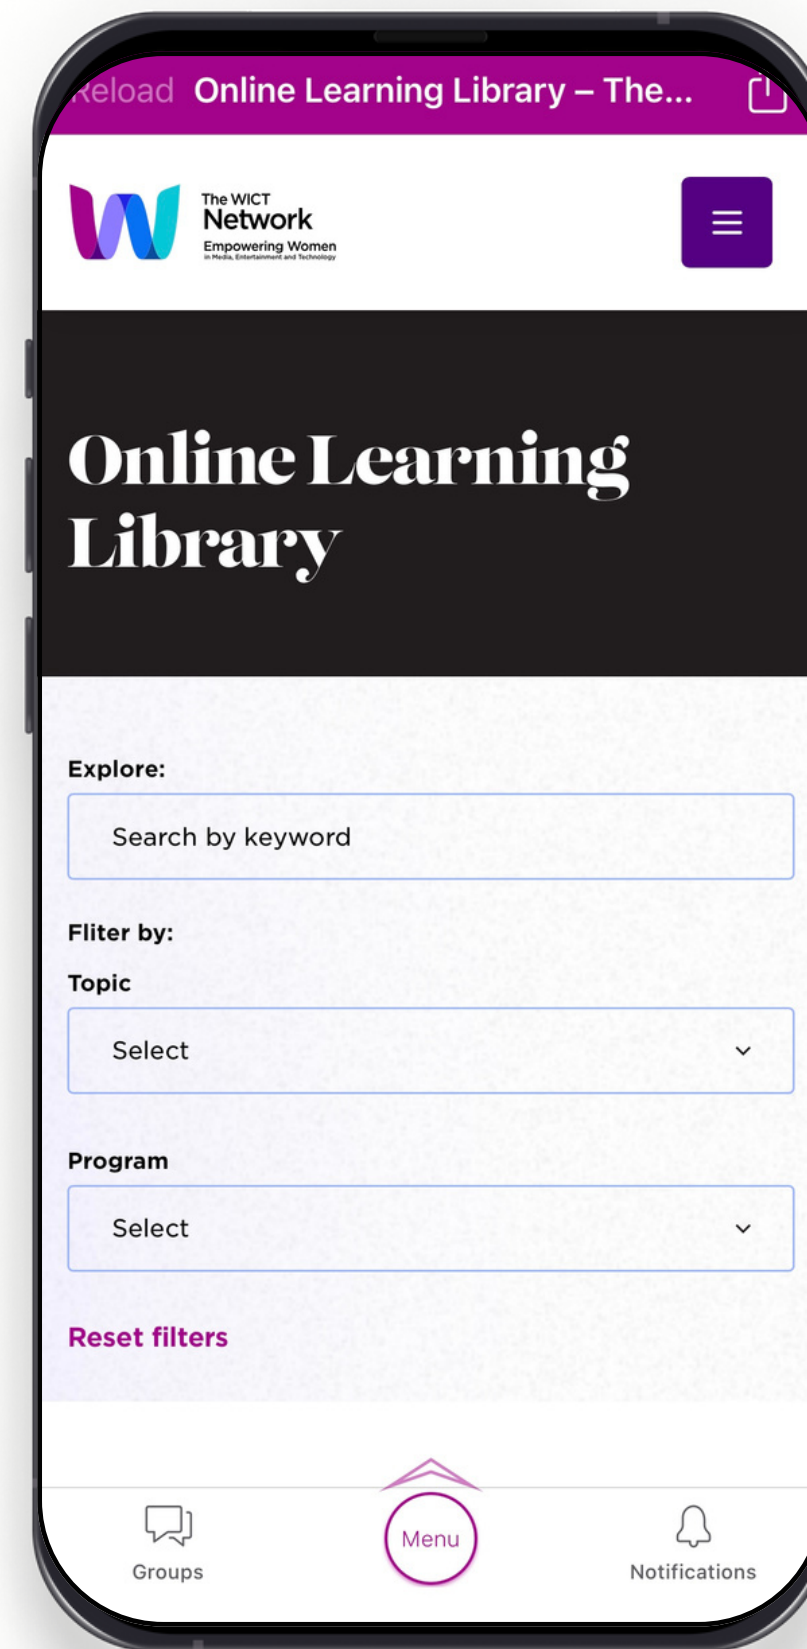

Individuals can view program details, speakers register for the event, and more. Additionally, event registrants can view the attendee directory and message event attendees (who have opted in for this feature).

# On-demand Learning

Access on-the-go learning opportunities via our **Online Learning Library** under the Members Only section of the main menu.

Explore videos by topics, programs and more.
