

Instructions to Join The WICT Network through the GFiber Portal

1. Please go to [GFiber landing page](#) and click the [Join Now](#) button in the top right-hand corner of the screen or “[here](#)” within the directions for new members.

As a key focus to further support your professional development, GFiber will cover the expense of membership in The WICT Network.

Instructions on how to complete your membership application can be found [here](#). Don't hesitate to reach out to membership@wict.org with any questions on the application. 

New members: Click [here](#) to begin the membership application. Once on the join/set password screen, please click the **Set Password** button to create your account. Remember to use your corporate email address when you set up your membership.

2. Once you're on the Join/Set Password Page, please click [Set Password](#) before typing in anything in the email address or password text boxes.
